Reference Documents for the General Meeting of Shareholders

Proposals and Reference Information

Proposal No. 1 Appropriation of Surplus

The Company group (the “Group”) emphasizes the importance of returning profits to shareholders, based on the premise that the sustained growth of our core businesses will increase profits. The Group recognizes the stable return of profits as an important management issue, and makes decisions concerning the distribution of profits while taking into consideration the enhancement of internal reserves for strengthening business foundations.

The minimum annual dividend per share is set at ¥40 with the goal in mind of realizing the stable return of profits to shareholders. At the same time, the Company has established a basic policy of striving to achieve a consolidated dividend payout ratio of around 50%. Alongside our target for return on equity, this will lead to sustainable returns of profits to shareholders, with a target dividend on equity ratio of approximately 5%.

In accordance with this policy, the Company proposes to pay a year-end dividend for the current fiscal year of ¥25 per share. Accordingly, including the interim dividend of ¥20, the annual dividend will total ¥45 per share.

- (1) Type of dividend property
To be paid in cash.
- (2) Allotment of dividend property to shareholders and their aggregate amount
¥25 per common share of the Company, with a total amount of ¥864,431,300
- (3) Effective date of dividends of surplus
June 26, 2025
